

# BIRDS & BELLS 2024

## Recommended Activities & Suppliers

We've compiled this list of suppliers that have worked at Birds & Bells before. Get in touch directly with the supplier to book and make sure you let them know you're a North Sky Yurts customer as some of the suppliers have special packages for our groups. Make sure you let the provider know which area of Birds & Bells you've booked too so they know where they're setting up. If your chosen supplier or activity is fully booked on your dates or you're looking for something specific that's not on this list, let us know as we may have additional recommendations.
