OTHER QUESTIONS

What food can we make or get delivered to site?

There is a 6 burner Gas BBQ with gas included and groups often get local takeaways delivered. You can also get pizza/food vans to the site or hire a BBQ chef if you don't want to cook yourselves! Leeds City Centre is also only 20 minutes away by car with lots of restaurants available.

Can I decorate the site?

Yes, the yurt includes coloured orb decorations hanging from the roof, fairy lights and a disco ball. There are lots of coloured ribbons and bunting around the site too so you shouldn't need to add much more. See our blog here for some decoration inspiration.

Do we need to bring our own bedding?

No, this is all included for you. Each bed has a 13.5 tog duvet, pillow, duvert cover, pillowcase and blanket.

Is there electric on site?

Yes, there are plugs in the main yurt for you to charge phones and use hairdryers/straighteners.
